PAGE ONE

Egypt's three top men put their heads together following the recent deposition of Infant King Ahmed Fuad and the establishment of a republic. Left to right are GAMAL ABDEL NASSER,

vice-premier and minister of the interior; MOHAMMED NAGUIB, president and premier; and MAJ-GEN. HAKIM AMER, commander-in-chief of all Egyptian armed forces.

TRAILERS TO REMAIN IN SANDWICH WEST

A very short council meeting was held Tuesday evening, July 7th, at the Sandwick West town hall. Members present were Mr. A. Kennedy, solicitor, Mr. L. Brunet, Mr. M. Totten, Mr. C. Strand, Mr. A. Marette, and Mr. L. Durocher, clerk.

The council passed a by-law to permit the Canadian Rock Salt Company to construct and maintain an underground tunnel, under Langlois Avenue, between the easterly limit of Front Street and the easterly limit of Main Street, Royal Township.

It was decided that a special public meeting would be held the following Tuesday, July 14th, at 8 p.m., in the town hall, to discuss the fate of eighty trailer owners on three camps in Sandwick West Township.

At the meeting, held July 14th, there was a good representation from the trailer camps, including Mr. Tom McGee, operator of Baby Park Trailer Camp, and Mr. Alfred Clift, operator of Dougall Road Park.

The main issue is the fact that no school taxes are being paid by the trailer tenants, while approximately sixteen of their children are being educated at the expense of the township. They are failing to pay school taxes, and are eager to co-operate with the council in this regard.

Until the first of the year, an annual \$25 tax was paid to the township for each permanent trailer to cover costs of providing garbage disposal, police protection, etc., but the township Board of Education refused to take it.

An agreement was reached to collect a special tax levy of \$3 per month from each permanent trailer and each transient trailer which remains at a camp for more than 30 days.

However, this verbal agreement is subject to the approval by the township Board of Education.

Both parties also agreed that a \$2 monthly fee for each permanent trailer should be paid to the township Board of Education for the first year to come, 30th, Mr. McGee and Mr. Clift have already collected this amount from each permanent trailer.

Mr. McGee introduced Mr. Gordon McCaffrey, manager and director of the trailer Coach Association, and Mr. M. D. Sanbrook, president of the Michigan Trailer Park Association.

Mr. McCaffrey is making a survey of all trailer parks in order to get legal proposition of taxes. He will forward his findings to the council in a few weeks time.

Mr. Sanbrook discussed the procedure of tax collections in Michigan.

The information given by both Mr. McCaffrey and Mr. Sanbrook was very beneficial to the council.

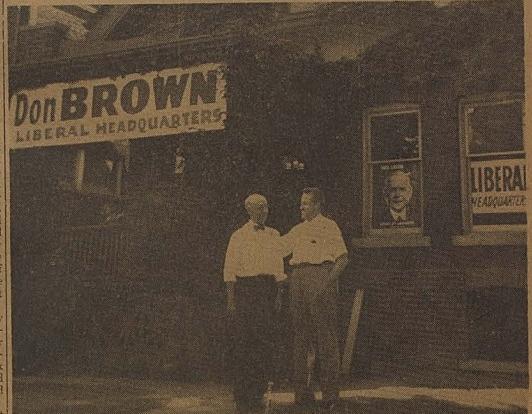

Essex West Liberal Group

A group of workers in Don Brown's Liberal Headquarters is shown above hard at work preparing for the forthcoming General Federal Election. Read

ing from left to right are Mr. Don Brown, James Davis, Mrs. W. R. Whiteside and Mrs. Syd Levine, standing in the rear is Lt. Col. A. J. Cloutier.

Liberal Headquarters on Ouellette Ave. in Windsor

Mr. Don Brown's Headquarters situated at the corner of Ouellette Ave and Pine St, in Windsor has been the centre of

activity for the Liberals in Essex West. Shown above are Mr. Brown and Lt. Col. A. J. Cloutier (left) one of the supporters working in the Headquarters. A welcome is extended to all to visit him at this location. The telephone is 3-6386.

Sinclair Brothers

Save Friend

From Canada

Two young La Salle brothers saved their friend, seven-year-old Tom Skinner, from drowning on Thursday, July 10th.

The two brothers are John and Irwin Sinclair, nine and ten years old respectively, who live a few doors from the Skinners on Riverside drive.

The boys had been playing football in a shallow, cold pond, which runs inland from the river behind the Chateau La Salle, ending at a point about 200 feet from the Skinner home.

Tom, who cannot swim, slipped from the bank into this half-sight feet of water, and began thrashing around. John, who was in the water at the time, realized he was in trouble when Tom grabbed his arm. He let Tom climb on his back, then Irvin swam to safety. Both children are safely ashore, though all three were found fine again and they went on their ways, telling no one of the incident.

Somehow the word got around, however. The boys, when asked about it, did not seem excited.

Mrs. Skinner, who has nine other children to look after besides Tom, has constantly warned the children to stay away from the water.

Garage Permits Rejected in La Salle

Recently, several applications were received to build garages to be used as temporary living quarters while the houses were being constructed.

After many weeks of careful consideration, the La Salle Council rejected the applications at a special meeting held in the town hall, Friday evening, July 10th, prohibiting the building of garages for temporary living quarters.

BART EVON'S HOLD SOFTBALL LEAD

Bart Evon's team still holds first place, but Sunnyside Hotel is dangerously close behind.

On Wednesday, July 8th, Sunnyside Hotel beat, really beat, the Esopus Hotel 13 to 10. Sunnyside Hotel had 18 hits with Bob Goodhue pitching this no-hit game. Catchers were Al Yauck and Ray Spearng. Emery Lemo pitched for Ray's Barbershop, and Dick Tourneau was catcher.

The next game, held Friday, July 10th, was a very close one between Sunnyside Garage and Bart's Barbershop, the former winning 11 to 10. Sunnyside Garage had 10 hits with Mark Beaume hitting a home run. Pitchers were L. Pajot and Gerry Craig. Catcher was Moe Drouillard. Bart's had 14 hits, with Leo Reume and Vic Vignes, pitchers, and Paul Meloche, catcher.

The following Wednesday, July 15th, Bart's won the best Community Market 8-4. Both teams had 5 hits. Vic Vignes was pitcher, and Paul Meloche, catcher, for Bart's. Danny Parent and Len Seaman were pitchers, and Ed Beaume and Al Sebastian, catchers, for the Community Market.

Friday's game, July 17th, was rained out.

On Monday, July 20th, Sunnyside Hotel was victorious over La Salle Oil, 8-1. Sunnyside Hotel had 5 hits. Don Stone, pitcher, and Ray Spearng, catcher, La Salle Oil had 3 hits. Wally Romano and Jimmy Boismer, pitchers, and Paul Dufour, catcher.

BOWLING BULLETIN

On Thursday, July 9th, the Summer Bowling League chose the following names for their teams: Team No. 1, "Wasps"; team No. 2, "Nestors"; team No. 3, "Owls"; team No. 4, "Lousies"; team No. 5, "Imps"; and team No. 6, "Bums".

The Wasps took top place away from the Bums with 18 points. Members of the Wasps are Rene Tremblay, captain, S. Laframboise, S. Wigle, James Craig, P. Thornton, and E. Durocher.

The Bums and Owls were tied for second place with 15 points each. However, on Thursday, July 17th, the Wasps still held first place with 19 points, but the Owls stepped into second place with 18 points.

Births

Mr. and Mrs. Albert Drouillard, Front Road, LaSalle, are happy to announce the birth of a son, 8 lbs., 8 oz., on July 16th, at Hotel Dieu Hospital.

NEW DOCTOR
FOR LA SALLE

LaSalle may be fortunate in having Dr. David Naruse establish a general practice in the town.

Dr. Naruse was born in Vancouver, B.C., and is a graduate of the University of Toronto. He received his B.A. in physiology in 1948, his M.D. in 1952, and for the past year has been interning at Grace Hospital, Detroit.

At the present time, Dr. Naruse is practising in Dr. A. Jung's office, Front Road. He contemplates to have his own office as soon as space is available. He is also on the courtesy staff of Grace Hospital, Hotel Dieu Hospital, and Metropolitan Hospital.

The town of LaSalle welcomes Dr. Naruse to this community, and we hope his decision is to remain with us.

Chamber of Commerce
Meeting Monday

The next meeting of the LaSalle Chamber of Commerce will take place in the private dining room of the Sunnyside Hotel, on Monday, July 27th.

The officers and directors are anticipating a large turnout.

Mobile Work Centre
Moves to
Amherstburg

Ontario's Hydro 60-cycle changeover program will commence in the Amherstburg district next week, and on July 13 a mobile work centre was set up in the municipality.

Announcing this, Ontario's Hydro Chairman Robert H. Saunders stated that these centres have been brought into use to provide speedy and economical changeover service as the standardization program in Essex County moves farther away from Hydro's main Area "F" base in Windsor.

The mobile work centres comprise:

Two warehouse vans containing conversion materials, motors, etc.;

A machine shop van, where motor base adaptions etc., are made;

An office trailer, which maintains radio contact with the Windsor base and vehicles working on changeover in the district;

A workshop trailer in which conversions are made on clocks, pedestal fans, etc. and on phonographs requiring bench work;

A motor shop trailer; here minor motor repairs and conversions requiring bench work are made;

A trailer which handles the paper work involved in connection with completed changeovers;

A diesel generator, which supplies the necessary 60-cycle power up to 550 volts, for the work centre;

A 100-foot portable platform complete with flood-lighting system;

Replacement parts for appliances are despatched from Hydro's main warehouses at Uxbridge, near Toronto, and repair work centres the day before changeover. These materials are boxed separately for each individual customer, and at changeover time merely have to be loaded into the truck of the technician who is to effect the conversion.

Urgerly needed materials is obtained from Hydro's area base in Windsor by means of radio-equipped runner vehicles.

Direct-drive washing machines which are more economically changed over in a specially equipped workshop, are picked up by trucks from customers' homes and taken to the work centre. From there they are transported to the Windsor base, where the motors and gears are changed.

Work centres can be dismantled, moved and set up in approximately six hours. If work on dismantling starts at 9 a.m., the work centre can be moved and established in a new location some miles distant, and be ready for operation by 4 p.m.

"By establishing these work centres closer to the 'cutover' areas, the time required by the workmen to travel to the homes and other premises concerned is greatly reduced," Chairman Saunders stated.

The work centre set up in Amherstburg was in use in Belle River until July 10.

The Liberals say
they can't cut your taxes!

WE CAN... WE WILL!

the Main Issue
in this election is
YOUR MONEY!

We will budget for Government's legitimate needs... we will stop budgeting for bloated surpluses which... in three years... took from the people's pockets the staggering sum of \$1,618,000,000 more than the Government needed.

We will end the shocking conditions in our Defence Department which the Government's own investigator, (Col. G. S. Currie) described as: "A general breakdown in the system of administration, supervision and accounting... Accounting records in a chaotic condition and of little use in determining the nature and extent of irregularities... Waste and inefficiency far more costly in loss than that covered by actual dishonesty".

We will reduce or eliminate countless hidden, indirect taxes which grossly inflate the cost of consumer goods, add to the grievous cost of living, increase the price of homes beyond the capacity of most of our people to pay, discourage saving and initiative.

VOTE

We will reduce federal taxes by at least \$500,000,000 a year... without reducing any pensions, family allowances, or other social security payments.

**\$500,000,000
TAX CUT
NOW!**

Started by the Progressive Conservative Party of Canada

PROGRESSIVE CONSERVATIVE

EDITORIAL

Report from Colombo

says that Ceylon will scrap much of its social welfare programme in order to provide capital for long-term development projects. Food subsidies will go first, says the government, because it can no longer afford them.

It declares: "Up till now, the country has been in the fortunate position of being able to finance development projects and at the same time undertake several plans for social betterment. But it will be necessary to concentrate on development to increase the national income." Recovery of UK, France, etc., will come when their governments make a similar announcement. Irony is that "backward" Cinghalese should show more economic realism than "progressive" Britons and Frenchmen.

Communist Government

Amherstburg, Ontario

Phone RE 6-2306

CANADA'S LIBERAL and Progressive-Conservative leaders have launched their joint campaign for the Aug. 10 election. Prime Minister St. Laurent launched his campaign with an appeal to voters on the record of his Liberal Government. George Drew called for increased efficiency in government and an end to over-taxation.

WELCOME HOME, DADDY — Young Miss Marlin Lampshire of Newfoundland, daughter of Petty Officer and Mrs. Gordon Lampshire, just couldn't wait until the gangway was adjusted before she gave daddy a big kiss. Mrs. Lampshire holds Marlin while PO Lampshire greets her after a seven-week absence.

ed a Berlin worker, Herr Willi Goettling, without trial on the vague charge of "creating civil disturbance". But nothing has been heard from clergymen, authors, editors, etc., who made so much fuss about the execution of the Rosenbergs (US atomic spies) after a full trial and numerous appeals.

West Germans, who paid honor to Goettling, think it odd that "intellectuals" and "humanitarians" in North America, UK, France, etc., should be so upset when communists are executed; so apathetic when anti-Communist

like that in Canada, is running into trouble. Sir George Maddex, Government actuary, reports that in 1951-52, pensions represented more than 70 percent of all national insurance expenditure. He predicts that in a few years' time payments will begin to exceed income (Canadian scheme has been in this position ever since it was introduced), and the annual deficit will increase steadily. In Canada, deficit is running around \$100 million a year.

Meanwhile, UK pensioners are asking an increase to \$28 a month, because of rising prices. This would cost about \$2.5 billion a year now, about \$5 billion a year in 25 years. Present cost of UK pensions is just under \$1 billion a year.

Situation In Argentina

as described in a recent issue of London Spectator, has implications for many other countries, including Canada: "There has long been a popular saying in Argentina that no government, no matter how corrupt it may be, can ruin the country, because the resources of the land are so vast. But since the invention of state trading, elaborate economic controls and exchange rates, and state-managed charity, much greater damage can be done by an unscrupulous administration. With the increase in state intervention and the phenomenal growth of the bureaucracy, the opportunities for corruption is practised at the centre, its effects are soon felt throughout the community".

Curious Situation

has arisen in Canadian life when political leaders promise not to reduce taxes. Yet that, in effect, is what Liberals and Socialists are doing.

Finance Minister Abbott says that Conservative pledge to cut federal burdens by \$500 million (about 11 percent) is "wholly irresponsible". CCF Leader Coldwell says it is "the most dishonest political promise that has been made in this country since Social Credit promised everyone in Alberta \$25 a month." (Mr. Coldwell proceeded from there to promise everyone a furnace a "god" kitchen sink, and a "1st class" bathroom. This bid for the plumbers' vote is apparently honest.)

Actually, there need be no argument as to whether taxes can or should be reduced. Canada's next government, of whatever political colour, will have to reduce them whether it wants to or not. If markets for Canadian goods are to be recovered, and investment in Canadian industry maintained, the reduction will probably have to be a good deal more than 11 percent.

CHEVROLET

is further ahead than ever!

Illustrated — Chevrolet "One-Fifty" 2 Door Sedan

A GENERAL MOTORS VALUE

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

POWERGLIDE and POWER STEERING!

Chevrolet's new Powerglide, optional at extra cost on the Bel Air and Two-Ten series, is the smoothest, most responsive transmission in its field. A new automatic starting and passing range gives you a flashing getaway from a standing start or passing in city driving. Power Steering is optional at extra cost with Powerglide — lets you steer and park with fingertip ease, and drive with greater safety.

COLOUR-STYLED INTERIORS!

A whole flashing panorama of sparkling colours and colour combinations await you to choose from in your new Chevrolet. There's an almost endless variety of headrests, some interior shades, different seat fabrics and two-tone combinations to stir your fancy and set your imagination to work. This year's Chevrolet boasts interiors colour-matched to exteriors, a fine five-car feature that's only one of the many extras you'll find in Chevrolet.

ALL THE NEW THINGS YOU WANT!

More weight, more stability, more road-sedateness, with better rear suspension and the softer, smoother Knee-Action Ride. A wider choice of body types and colour harmonies. And optional at extra cost, GM Shade-Lite Tinted Glass with exclusive, graduated windshield tinting, and the amazing GM Autronic Eye which automatically dims and brightens headlights.

ECONOMY AND VALUE!

This year's Chevrolet brings you the most important gain in economy in Chevrolet's entire 20-year history. You save money on gasoline of gas (regular gas, at that). You save on overall cost of operation and upkeep. You save every mile you drive with this great new '53 Chevrolet. Chevrolet is still Canada's finest low-priced car!

A. J. Reaume
